

1. The event is not a race between the entrants, it is a challenge to complete a course within a given time frame.
2. The HQ is Rowsley Village Hall and signing on will be available at the HQ from 06:30hrs.
3. All riders must sign on before starting.
4. The event starts at 07:00hrs and ends at 16:00hrs.
5. The time will be recorded by the organiser and the judgement as to whether the challenge has been successfully completed will be theirs alone.
6. It is recommended that riders use a GPX device throughout the event should they need to prove that they have successfully completed the course correctly.
7. All riders must carry a mobile phone.
8. To successfully complete the Borwell Cycle, all 3 routes of the Spring Classic must be covered within 9 hours.
9. The routes must be completed in the following order: 87km, 60km, 70km.
10. Throughout the event riders must be self-sufficient insomuch that they cannot take on any food supplied by the organiser at the feed station and the HQ, nor can they use the tools and puncture repair facilities provided at the feed station.
11. At the end of each route riders must report to the HQ to have their time recorded.
12. The 87km and 60km routes must be completed by 13:00hrs to continue with the challenge. Failure to do this will result in the rider being withdrawn.
13. A rider who returns to the HQ, having completed the 87km and 60km routes, between 13:00hrs and 13:45hrs will be recognised as having completed the Borwell Sprint.
14. On each loop riders must report to the feed station where they will be given some information. This information will be unique to each rider, and this must be handed in at HQ at the end of each loop.
15. At the feed station and HQ, riders will only have access to water and the toilet facilities during the event.
16. At the end of loops 1 and 2, riders may spend as much time as they wish at the HQ restocking food and water from their own supplies, but the clock will continue to run.
17. At the conclusion of the event (having either completed the challenge or withdrawn) riders will have full access to the food and drink provided at the HQ.
18. The organiser and any member of the organising team, reserves the right to withdraw a rider from the event if it is deemed unsafe for them to continue.
19. Further event rules may be added before the event and at short notice and a list will be available at the HQ before the event.
20. Knowledge of the rules is the rider's responsibility and failure to follow them will result in disqualification from the challenge.
21. Riders who successfully complete the Borwell Cycle will be rewarded with a permanent number, should they wish to complete it again, and they will also receive a custom engraved headset cap.
