Congratulations and Prizes

Congratulations to all of you that set or improved upon course records and/or age records.

The 4 overall winners will receive their mug in the post in due course.

Race Report

Youth takes on experience, and wins.

What looked like an outlier last year, with the event enjoying perfect summer conditions, now looks like the beginning of a trend with this year's event once again bathed in summer evening sunshine. And in another repeat from 2024 the fastest times in both the open and female classifications were set by riders in the youth category. A reversal of roles indeed – with those still in school teaching their elders a lesson in hill climbing.

In setting the fastest time of the evening, Finlay Hudson performed a triple whammy as he also took the youth category in a new record of 4 minutes 49 seconds. If this wasn't enough to make the young man's cup overflow, the fact he took the record from none other than his older brother surely put the icing on the cake for this talented rider representing the Harrogate Nova Racing Team.

As good as Hudson's performance was, the clear candidate for MVC (Most Valuable Cyclist) must go to 13-year-old Olivia Marriott (Derby Mercury RC). Marriott has been riding the event since she was 9 years old and, as good as her early performances were, it is in the last 2 years that she has really found her feet.

Last year Marriott took the 12-year-old female record from none other than Maia Howell, a 5-time winner on Longstone Edge and, having tasted success, Marriott is clearly in the mood to relieve Howell of a few more of her records. Powering up the climb in a staggering 6 minutes 29.9 seconds, the diminutive Marriott updated Howell's record for a 13-year-old female by 10 seconds. Her outstanding climbing display was only bettered by 3 boys and, for good measure, Marriott's time remained unbeaten by all the senior women who competed later in the evening. When it comes to racing up Longstone Edge, the 13-year-old has clearly done her homework.

The 3rd record in the youth category came from the youngest rider in the field: 8-year-old Heidi Evers establishing a mark of 9 minutes 53.5 seconds. Evers rides for Matlock Cycling Club who entered 12 riders in the field of 20 youngsters, and they all provided a wonderful image of sportsmanship back at the HQ with lots of chatter and mutual congratulations.

After a short break in the proceedings to allow the youth riders to safely descend back down the hill, it was the turn of the seniors to take the start line. The battle for honours in the senior female category was over almost as soon as it began with first rider off, Jenny Newbery, setting a time of 6 minutes 54.3 seconds. This time proved too good for Longstone regulars Harriet Eisner, Tracey Gregory, and over 50s record holder Sally Maitland, who all failed to unseat Newbery from the top spot; however, Newbery's time was still 25 seconds shy of the time set by Olivia Marriott, and thus was denied the claim of fastest female overall.

Youth 1 Seniors 0.

First off in the senior open event was Robert Cornford, one of ten riders representing the myHillCycling.co.uk team. Cornford set a handy time just 3.7 seconds over 6 minutes, but his position in the hot seat was brief as, less than 5 minutes later, Thomas Bowers (Macclesfield Wheelers) set a new mark of 5 minutes 14.5 seconds; the second fastest time of the night at this point.

Bowers reign as fastest senior was ended when 16-year-old Alfie Nott took the target close to 5 minutes with a time of 5 minutes 8.1 seconds. Nott has a considerable pedigree on Longstone Edge, and was one of three teenagers representing the Clancy Briggs Cycling Academy. Although his time wasn't good enough to unseat Hudson as fastest overall on the night, Nott had the consolation of beating his two teammates and winning the junior category.

Nott's time remained stubbornly at the top of the senior results, proving too good for Mark Proctor (Matlock CC), and it was down to the winner of the previous weeks Circuit of Longstone Edge time trial, Ewan Mackie (Ilkeston CC) to not only better Nott's time, but also take the target below 5 minutes with a well-executed effort of 4 minutes 59 seconds.

Just three minutes after Mackie came Team Sheffield powerhouse Jimmy 'The Blade' McKay. McKay had been bested by Mackie in the previous weeks' race but on this occasion, McKay turned the tables as he flashed across the line in 4 minutes 50.1 seconds. The fastest time by a senior on the evening, but not quite good enough to unseat Finlay Hudson as fastest overall.

Youth 2 Seniors 0

In-between Mackie and McKay, Sebastian Sturges not only repeated his third place of last year but his time of 5 minutes 3.6 seconds was just a fifth of a second slower than his 2024 time. A remarkable model of consistency.

Back at the race headquarters, après race refreshment was once again provided by LEAP (Longstone Events and Activities Project) with the homemade cakes, and particularly the cold drinks, greatly appreciated by riders and helpers. For next year the promoters are planning to have a post-race prize presentation at the HQ in the hope that more of the cakes and goodies will be enjoyed!

Along with thanks to LEAP, thanks also go to Great Longstone Parish Council who once again put their full support behind the event. Having a closed road means that there is no age limit for competitors, and it was a wonderful spectacle to see so many youngsters taking part, so thanks to the residents of Moor Road and the owners of Dale Farm for supporting the road closure.

The organisers are aware that the event does take place within private land, so many thanks are extended to Stuart Fairfax of Longstone Moor Farm for his support, and thanks are extended to Robert Thornhill who generously offers one of his paddocks to provide safe parking for the competitors. The event is the result of lots of local people pulling together to make it successful, and plans are afoot to increase engagement of the local community by convincing a few to have a go.

See you next year!

Chris Myhill, Event secretary Longstone Edge hill climb.

Thank you:

Thanks to the following organisations and individuals for helping to make the event possible:

Great Longstone parish council. For their continued support and encouragement for this event.

LEAP. For providing refreshments in the village hall.

Robert Thornhill—local farmer. For providing dedicated parking for competitors. I know from my own experience that when you travel to an event you want to be concentrating on your race, so not having to worry about where to park is once less thing to think about.

Stuart Fairfax—owner of Longstone Moor farm. For his patience and understanding, and for helping us to promote the event in a manner that is not damaging to the local environment.

Jane Littlefield—Booking secretary Great Longstone village hall and arranging the refreshment volunteers

Adam Roe-Smith—Editor of Under The Edge magazine. Thank you for helping us to keep the local community informed.

Steve Gibson and Andy Hicklin—For putting out the signs and keeping everyone safe

Members and friends of Peak RC: for giving up your time to marshal the event

And finally to **YOU** for entering! It was wonderful to see such a range of competitors in terms of age and ability. This is what the sport is all about—just getting involved and having fun.

See you all next year!
